## Virtual

The Photonics Career Hub

### Dates.

23–25 February, 2021

### Venue.

Online event organized by  
ICFO. The Institute of Photonic Sciences

[www.carlahub.eu](http://www.carlahub.eu)

Follow us for more information    #carlahub

### Funded by

PHOTONICS<sup>21</sup>

PHOTONICS PUBLIC PRIVATE PARTNERSHIP

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 871457

### In Collaboration with

### Audience.

University students and early stage researchers

### Pre-Registration.

Register at

<https://carlahub.eu/events/icfo-barcelona-pilot-camp>  
before January 25, 2021

### Trustees

## Virtual

The Photonics Career Hub

## Program.

### 23 February 2021

#### Photonics Landscape & Career Development

- 16:00–16:10 Welcome and introduction
- 16:10–16:40 Overview of the Photonics Landscape
- 16:40–17:25 EU trends in Photonics
- 17:25–17:35 Guide to Network
- 17:35–18:00 Break – Guided Networking
- 18:00–18:20 Setting the scaffold of a career roadmap
- 18:20–19:55 Workshop: Persuading other people
- 19:55–20:00 Wrap Up

### 24 February 2021

#### Networking with the Photonics Community

- 16:00–16:05 Introduction to the day
- 16:05–16:45 Academia panel
- 16:45–17:25 Industry panel
- 17:25–17:35 Break – Guided Networking
- 17:35–18:25 Photonics is everywhere
- 18:25–19:25 Guided networking

### 25 February 2021

#### Innovation & Entrepreneurship

- 16:00–16:05 Introduction to the day
- 16:05–16:50 Entrepreneurship panel
- 16:50–17:10 Break – Guided networking
- 17:10–19:10 Innovation workshop
- 19:10–19:30 Closing remarks
